

# Ichinen Sanzen

3000 realms in a single moment of life

The mutual possession of the ten worlds (Hell to Buddhahood) =  $10 \times 10 = 100$

The ten factors (Appearance, Nature, Entity etc.) = 10

$10 \times 100 = 1000$

The three realms of Self, Living Beings, and Environment, take us to 3000!

Self (1000)

Living beings (1000)

Environment (1000)
